

PE and Sport Premium 2017/18

The government in England is providing funding of £150million per annum for academic years to provide additional substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of physical education and sport for all their children. All schools with 17 or more primary-aged pupils will receive a lump sum of £8,000 plus an additional premium of £5 per pupil (between the ages of 5 and 11.)The funding is ring-fenced and can only be spent on physical education and sport provision in schools. Schools will have to spend the funding on improving their provision of physical education and sport, but they will have the freedom to choose how they do this.

In light of this funding Beaufort Primary School have reviewed our provision and intend to use this funding to:

- Further improve the provision for lunchtime and after school clubs focusing on skill based learning
- Extend the provision for swimming to include Years 3 and 4
- Buy in quality assured coaches to work with pupils to develop skills in a range of sports
- Increase pupil participation in competitive sport through developing links with other schools and sporting associations

FUNDING

In 2016/17 our school received : £9114

Predicted funding for 2017/2018: £9155

Details of how our PE funding for this academic year will be spent is outlined below.

Action	Cost	Success criteria
Increase the percentage of lower KS2 pupils who are able to swim. To ensure that pupils in upper KS2 become more competent and confident swimmers.	£4953 Cost for additional weekly Y3/4 swimming lessons, transport, pool hire, swimming instruction.	By the end of Y3/4 almost all pupils are able to swim and achieve at least initial swimming awards. By the end of Y5 the vast majority of pupils are competent swimmers and many achieve higher level swimming awards.
Challenge the more able pupils to acquire greater confidence and skills in a wider range of sporting activities. Weekly sessions to be led by a professional coach and supported by PE leader.	2 Weekly lunchtime coaching sessions. Gymnastics-36 sessions- £20 per hour. To include cost of awards. Dance- 36 sessions-£30 per hour. TOTAL: £1800	Children who are talented in sport are challenged to further improve their skills and demonstrate greater confidence to engage in a wider range of sports. All pupils to achieve at least level 2 award for gymnastics. Pupils perform their dances for a wider audience demonstrating greater confidence, enjoyment and ability in dance. These pupils are directed to out of school dance and gymnastics clubs
