

Our Nursery children have been learning why we buy and wear poppies.

We talked about how soldiers protect us and how sometimes they can become injured or die trying to do so.

We watched a 2 minute BBC film about the effects of war on a rabbit for our two minute silence.

Poppy
jam
tarts.

We painted
poppies in our
garden.

We made our own poppies.

Our poppies made a lovely table decoration at snack time.

Poppy independently drew a poppy which Ms Dewberry gave her a sticker for.

On Forest Friday we followed a trail of poppies. We had to use our problem solving skills to reach the poppies which were high up.
