EYFS links

22-36 Learns that they have similarities and differences that connect them to, and distinguish them from, others.

30-50 Knows some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family

At Beaufort we believe our younger children learnt best through a range of well planned practical activities. Through real experiences children develop their vocabulary and understanding of celebrations.

Our Autumn Celebrations

NOVEMBER 2016

Halloween

We used one-handed tools to carve our pumpkins. We enjoyed dressing up, the teachers were very impressed that Kaedonn had a hand knitted outfit.

Bonfire Night

We made firework pictures. We explored the sounds fireworks make in our phonics lessons. We built a bonfire on Forest Friday.

Diwali

We learnt about the Hindu and Sikh festival of Diwali and through listening to the story of Rama and Sita. We danced to Indian music. We made salt dough divas and Diwali cards. We tasted samosas and onion bhajis and made Indian sweets.
