

## Our Nursery children make a Photo Story Nov 2015

When we built our models we took photos of them. The children learnt how to work the digital camera, knowing to point it and press the button.

We helped Mrs Johnson make a photo story. We found our photo and told Mrs Johnson what we would like to write, thinking of our sentence. We found the letters of our name and pressed them to type our name. This was very difficult as the keyboard is in capital letters. We enjoyed watching our Photo Story together.
