

**NO PENS
FRIDAY!**

Friday 15th January 2016

Putting down our pens and picking up our language!

Today we had classes and lessons focused on learning through speaking and listening activities. We did lots of fun things from listening walks around the school, games, small world and role play scenarios to name a few. Our parents enjoyed it and it was a day of language and we couldn't stop talking!!!

Communication & language (listening & attention, speaking & understanding) ELG

PSED, PD, LITERACY (READING), MATHS, UW, EA&D ELG
