

FAMILY FRIDAYS IN RECEPTION..

Family Fridays is a great way of involving parent's in their children's learning. We do this regularly on a fortnightly basis, and the children love showing their parents the sorts of things they do at school. Parents can 'pick up' strategies to further support their child at home, and they also enjoy the time spent with their child in school.

Please take a look at some of our parent's feedback.

Beaufort Family Fridays in Reception

It's a good chance to see the things that the children are learning. It's also a nice bit of extra time with my child.

I get to see all of the things my child does in school.

It helps me to see how my child is doing in class and what interests him.

It's a good chance to see what my child has been learning and doing at school, plus it gives my child time to show her little brother her classroom and what she enjoys.

I enjoy seeing what my child gets up to and how she interacts with the rest of the children. It's great seeing her have fun and learning. Dad is very proud.
