

*Year 1 and 2*

*RE day*

*Focus: Islamic Art*

# What did we do?

We learned that people who worship Islam do not recreate any of Allah's creations in their art.

Their art is usually geometric patterns.

Each teacher ran an art workshop for the day. The children had the chance to visit each teacher.

# Mrs Gaskin

Mrs Gaskin's group focussed on Islamic calligraphy and created a sunset mosque picture.

# Mrs Skaper / Ms Dobbs

Mrs Skaper and Ms Dobbs created stained glass patterns using tissue paper and PVA glue.

# Ms Mills and Mrs Wright

Ms Mills and Mrs Wright created buildings with a geometric design in their workshops.

We enjoyed our RE theme day and learned lots about Islamic art.
