## Goodbye & Good Luck to our Year 6 pupils!

Mr Fletcher

It's almost that time of the year again, when soon we will all be having fun and playing games with our family and friends in the summer holidays! However, it is also a time when our Year 6 children reach the end of their time with us at Beaufort School. This does not mean though that we shall never see them again! All the staff love to see and hear from our past pupils and welcome them to come and see us and let us know how they are getting on at Secondary School. Although, this can be a sad time of the year, it is also a time for those Year 6 pupils to be proud of all they have achieved over their time at Beaufort. A number of the Year 6 pupils have been with us since nursery or reception and have grown and developed over those years, into the mature sensible children we see around school. Without doubt, this Year 6 group have been one of the BEST Year 6s to teach (and to have a joke with!). They have all produced marvellous SATS results and deserve a lot of credit for the effort and hard work that they have put into this past year with Mrs Hutchison and the other Year 6 staff. There has been many fond memories for the children over their time at Beaufort and I look forward (anxiously!) at what they have in mind for their 'Leavers' Assembly! I'm sure I speak on behalf of all the staff, when I wish them the BEST OF LUCK for the future!

## Top 5 BEST School Trips!

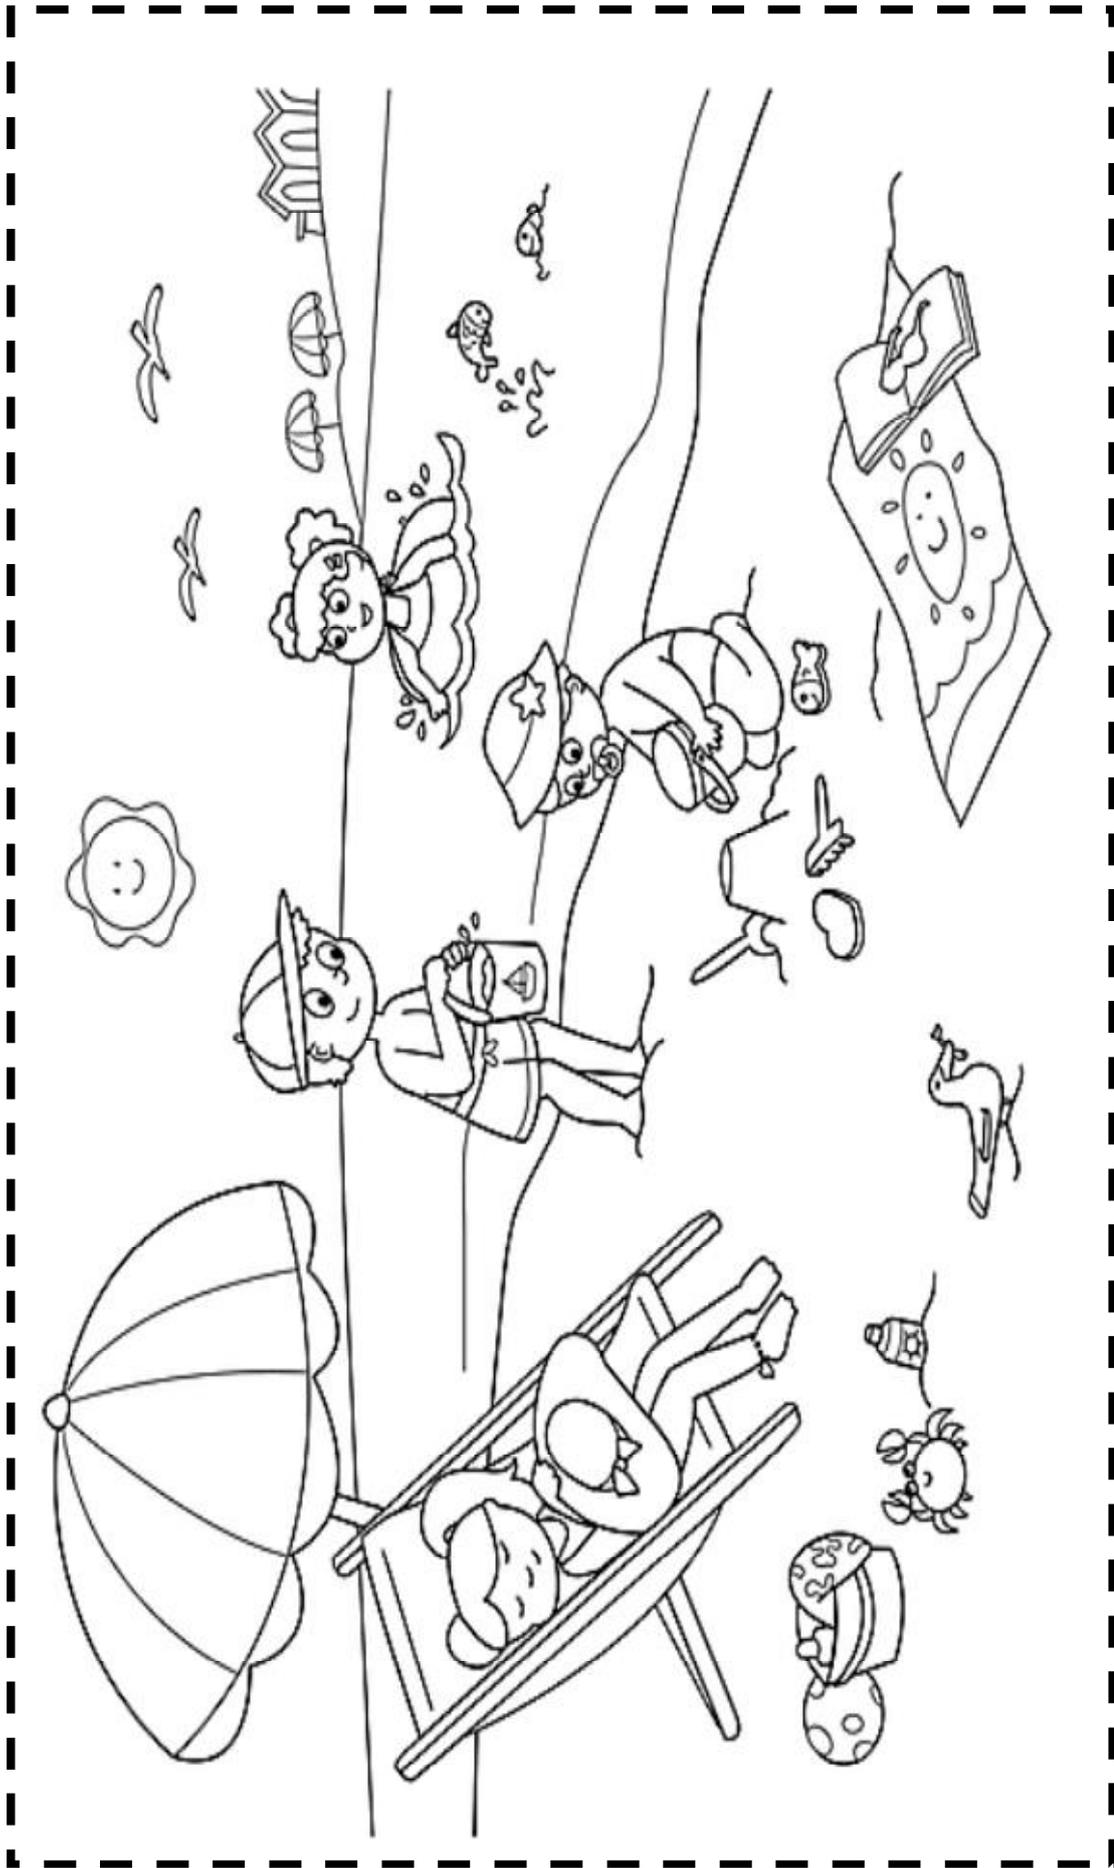

Voted for by Year 6

1. Conkers
2. Eyam
3. Creswell Craggs
4. White Post Farm
5. Space Centre

## Keeping safe over the summer holidays

**T**he six weeks summer holidays is a great time of the year, especially after a year of hard work at school! However, it can be a time of the year when accidents can happen, especially if you're being silly! So here at the school paper we would like to help you stay safe over the holidays. So here are our **TOP TIPS** on keeping safe!

1. **ALWAYS** tell a grown up where you're going!
2. **NEVER** talk to a stranger!
3. **DON'T** go further than your parents/guardians/carers allow you! (never leave your street, area, etc)
4. **NEVER** go swimming in ponds, lakes and rivers.
5. **NEVER** play on or near railway lines!
6. **NEVER** play or mess about on roads!

There are loads of other ways of keeping safe, such as being careful in the kitchen, being safe on internet and being safe when you're out. We think as long as you stick to these tips, then we're sure you'll have a great and (safe) summer!

## Don't get bored over the summer holidays!

**I**'m sure you'd agree that the first few days of the summer holidays are great fun, but some kids get bored easily and quickly, then the 6 weeks holidays can get a bit boring, especially, if you're an only child, or your friends have gone away on holiday! So, here on the school paper, we have thought of some **TOP** ideas with what you can do to keep yourself entertained if the dreaded boredom kicks in!

**Art** - Why not draw? It's fairly cheap to do (just the cost of a pencil and paper) you can draw whatever your imagination wants you to!

**Hobby** - Why not try a new hobby? You could collect things, anything from stamps to pop star pictures!

**Read** - I know some of you may be thinking "I don't want to read!" Well you could be missing out on a **WHOLE** world of wonder and excitement!

**Outdoor fun** - (**SPORTS**) Why not play a game? Kick, catch, throw a ball! It can be a tennis ball, football, bouncy ball, whatever you want!

(**FRIENDS**) Play outdoors with friends, you don't have to leave your own back garden. (Remember to tell a parent/guardian where you are at all times.)

Hopefully these ideas will help you beat the dreaded boredom over the summer holidays and remember whatever you do and where ever you go to keep safe and always tell an adult where you are going and who with!
