

# Olympic Week

Another exciting week in Key Stage 1, we have just taken part in Olympic week. At the start of the week we were given our countries that we were going to be looking at. Year 1 were given Italy and year 2 were given New Zealand. First thing the children were asked to do was to research their given country and to find out which sport they were going to be learning the skills to. Year 1 decided on football and Year 2 decided on rugby. Alongside these sports children also took part in a skipping session where they learnt the basic skills and even some skipping tricks! Teachers then had to pick 2 children to show their skipping skills in the closing Olympic ceremony on Friday afternoon. Other activities included; food tasting, food making, flag designing, football matches and tag rugby matches.
