

What Do the Children think?

I've been to lots of extra groups for all kinds of reasons; for example, to help me make friends, to support my social skills and to help me with my SATs. It just felt like a 'fun-time' rather than a 'learning-time'. Y6 pupil

My big brother goes to groups and so do I. They help me to do my work and sometimes they are fun. Y2 pupil

I have really loved my reading group intervention. I knew I was learning but Mr. F made it fun. Not often but sometimes the group had to be cancelled and I never liked that because I got a lot out of it. Y6 pupil

I really enjoyed my Nessy group because I like the computer work. Y3 pupil

I love my reading group as it helps me clear my head in the morning and it sets me up for the day. Y6 pupil

Homework Club is really good because you can get help to do your homework. Sometimes it's hard to concentrate at home and in school you can. The toast and hot chocolate makes it fun. Y5 pupil

My phonics group is a great group to attend. I love it because it helps me to improve at English. It also helps me to calm down and chill out. Y5 pupil

My favourite time is when I'm with Mrs Bridges. I go most lunchtimes and it has helped me to make friends and have fun. Y2 pupil

Mrs Bridges' group is the best ever - I really love it. We get to make things, draw and play with other children. Y4 pupil

I liked writing a book about Dragon Adventures with Mrs T. Reception Pupil

Ms M has really helped me with my reading and writing. We did extra groups each week and I am now more confident with my writing. Y2 Pupil

I really like writing the school newspaper. We have worked hard to make it really interesting because it's for everyone in school. Y6 Pupil
