

## Swimming Year 4

We are really proud of our year 4s who have returned to swimming with a splash! Already two of our children have advanced to the Gala Pool due to their confidence and swimming ability. Keep up the hard work year 4s, we'll be at the 2024 Olympics before you know it!

## Brass Year 4

The year 4s have also been given the opportunity to take part in the Make More Music in Derbyshire Program. They will be learning to play either a trombone or a trumpet over the coming year and hopefully will be ready for a performance later in the year.

## Year 3 Music

Our year 3 children are currently learning to play the Glockenspiels. They have been accompanying The Three Little Birds by Bob Marley using the notes G and C. Hopefully, they will be ready to perform in Autumn Two.

## French Year 3 4

The year 3s and 4s are thoroughly enjoying their French lessons. We are lucky enough to have a specialist French teacher, Madame Fritto, who attends every Wednesday. Currently the children are learning how to say 'hello' and 'goodbye' through songs and conversations.

## PE within School

We are currently lucky enough to have a specialist PE teacher enriching the PE curriculum across the school. He is giving focused support in games lessons throughout the school as well as running a lunch time group for selected children in year 2 and year 3.
