

Year 3/4 Derby Museum Trip 2017

As part of our Ancient Egyptian Topic, the Year 3/4 children visited the Derby museum. On arrival, we were greeted by an Ancient Egyptian woman. We discussed many Egyptian facts and they were very impressed with our knowledge! After a quick introduction, we split into two groups.

Group 1 - Went to learn about the two real mummies that are housed in the museum.

Group 2 - Learnt about the mummification process, where one child was mummified!

"This was the best trip ever! I really enjoyed dressing up as an Egyptian." Year 4

"I loved being mummified! I can't believe the brain comes out with the hook!"

Year 3
